### Thanksgiving ceremony

We are very happy to arrange a service of thanksgiving – which can include naming the child – if you would prefer this to a baptism. We welcome any opportunity to remind people of God's love for them and God's call to them to come to him.

**REMEMBER** we do weddings and blessings – and the Vicar tries to provide a suitable service for everyone, even if you have been married before, as a sign of God's love for each one of you and to enable you to start again as a reminder of His forgiveness

**Funerals** : We offer our sympathy to the friends and families of those whose funerals we have shared in recently.

### Memorial services

Sometimes families appreciate a further opportunity to remember a loved one after the initial shock has worn off. If you know anyone who would find a service of this sort helpful, please contact the Vicar or Chris Harrington. We have an Annual Memorial service at both Churches when we can remember anyone who has died in recent years.
